

Two-Column Vocabulary

LETRS Module 4

Obj: TSW segment and read all sight words accurately;
TSW orally create complete sentences.

Procedure:

- 1) Review story and vocabulary words.
- 2) Say and segment all story vocabulary words.
- 3) Read all story vocabulary words.
- 4) Explain that there are two columns of words on Promethean board.
- 5) Students will be asked to choose one word from Group 1 and one word from Group 2.
- 6) Once the words have been chosen, the students will be asked use both words in a complete sentence.
- 7) Teacher will encourage students to formulate a sentence that is related to the current HM story.
- 8) Students will record one sentence.

Evaluation: Active participation; successful segmentation, blending, and reading of all sight words; completion of written sentence with capital letter and punctuation.
